RE: Facility-Based Grain Buyer Facilities
Columbia Grain International, Inc.

Columbia Grain International, Inc., Portland, Oregon, filed a license application to operate as a facility-based grain buyer at Arvilla, Larimore, Merrifield, Crystal, and Valley City, North Dakota. These facilities had previously been licensed as state grain warehouses by AGP Grain, Ltd.

All license requirements have been met and I recommend the request be approved. A corresponding motion and order are attached.
