**RE: Grain Elevator Warehouse Bond No. 929393954  
Western Surety Company**

Dear Mr. Miller:

This is to inform you that the Commission received a cancellation notice on your grain elevator warehouse bond. NDCC Section 60-02-09.1 provides for the automatic suspension of a grain elevator warehouse license for failure to maintain a bond in the amount and type required. You must file a new bond or proof that your present bond will remain in effect no later than **June 19, 2009**, or the Commission, without hearing, will immediately suspend your grain elevator warehouse license and you cannot receive additional grain at your Richardton facility.

North Dakota Century Code § 60-02-09.1 also provides that if a new bond or proof that your present bond will remain in effect is not received **before July 20, 2009**, your grain elevator warehouse license will automatically be revoked. If you wish to operate your Richardton facility after this date, you must apply for and be issued a new grain elevator warehouse license.

If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter, Director  
Licensing Division
