Minto, ND 58261

RE: Capacity Increase

Dear Bill:

Your request to increase the license capacity at Minto by 287,202 bushels to reflect the addition of two 143,601 bushel steel bins built on-site is approved. With this change your licensed capacity is now 806,202 bushels at Minto effective August 22, 2008.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
