April 8, 2009

Mr. David Glatt
ND Department of Health
Environmental Health Section
Gold Seal Center
918 East Divide Avenue
Bismarck, ND 58501-1947

Dear Mr. Glatt:

Dakota Westmoreland Corporation has submitted an application for Revision No. 25 to Surface Coal Mining Permit KR5B-8802 for the Beulah Mine. Revision No. 25 includes final closure plans for the Orange and Charlie Pit areas east of Highway 49. Mining will be discontinued in this area later this year and the post-mine topography will be changed as a result of this pit closure. Copies of Sections 3.1 - General Mine Plan, 3.2 - Water Management Plan and 3.5 - Backfilling and Grading are enclosed for your review and comments. Also enclosed is a copy of the revision summary which summarizes the changes being proposed with this revision. Please review this revision within your area of responsibility and provide us with any comments by May 8, 2009.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
Director
Reclamation Division
