Comments:

In September 2008 our office sent a letter to you regarding corrective action to comply with probable violations identified in the Commission's grain warehouse inspector's June 2008 Memorandum of Adjustment. In our letter we informed you the Commission would be monitoring your future scale ticket conversion activity by requiring that updated aged grain payables reports be filed on a periodic basis.

As part of our monitoring activity, Noodles by Leonardo, Inc. must file an updated aged grain payables report no later than **December 23, 2008**. Please fax the report to me at 701-328-2410 or e-mail it to me at srichter@nd.gov. Thank you and please call if you have any questions.
