RE: Discontinue Business – Selfridge, ND
Quarter Circle Y, Co. dba Hepper Feed

As of August 1, 2008, Quarter Circle Y, Co. dba Hepper Feed did not file an application renewal for its facility at Selfridge, North Dakota. ND Admin. Code § 69-07-02-03 provides that the failure to file an application in a timely manner will result in the automatic discontinuance of business. Therefore, the grain warehouse license of Quarter Circle Y, Co. dba Hepper Feed, Selfridge, North Dakota, is automatically discontinued effective August 1, 2008.

Rick Fillbrandt called Hepper Feed in mid July to remind them that our office hadn't received the grain warehouse license renewal and was told that the elevator had been sold to a local farmer and the license wouldn't be renewed.

I recommend the Commission acknowledge the automatic discontinuance of business for Quarter Circle Y, Co. dba Hepper Feed for failure to file an application in a timely manner. A corresponding motion and order are attached.
