RE: Discontinue Business – Roving Grain Buyer
Hi-Pro Sunflower, LLC

The Licensing Division received a Request to Discontinue Business from Hi-Pro Sunflower, LLC of Harvey, North Dakota. The licensee informed the Commission that they do will no longer operate as Hi-Pro Sunflower, LLC. They have created a different limited liability company and will operate that new entity as a roving grain buyer.

I recommend the request be approved. A corresponding motion and order are attached.
