RE: Capacity Increase

Dear Tim:

Your request to increase the license capacity at Northwood by 37,000 bushels to reflect addition of two Korsmo potato warehouse bins (3 total) and the Johnson potato warehouse (10 bins) and as verbally requested to Tim, delete Section E (Sherva south quonset) and Section G (slant wall quonset) is approved. With this change your licensed capacity is now 246,000 bushels at Northwood effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter  
Licensing Division
