Mike,

I did talk to Bruce and have come to agreement on how to proceed. The Rider will go into place as of 1/1/09 as scheduled. The discovery and hearings on issues we raised will proceed concurrent with the rate case. Any adjustments to the Rider that are ordered would take effect as of the order date (no refund of over collection).

I have made arrangements to have my associate Jake Hendricks and consultant Larry Schedin on the phone for the hearing. Due to prior commitments I am not able to participate.

Thank you,  
Rich

I talked to Bruce Gerhardson this morning and he is trying to contact Rich Savelkoul to make sure he understands their position and expectations for

proceeding with this case. I expect to hear from them before the end of the day with regard to proceeding with the informal hearing on the Renewable Rider at 1:30 PM tomorrow. Mike
