RE: Warehouse License  
Tharaldson Ethanol Plant I, LLC

Tharaldson Ethanol Plant I, LLC filed a license application to operate a 6,803,000-bushel grain warehouse at Casselton, North Dakota. Tharaldson Ethanol Plant I, LLC is a limited liability company that will process corn into ethanol. The Casselton ethanol plant is expected to consume 36 million bushels of corn a year and will produce 100 million gallons of ethanol and about 350,000 ton of DDG's per year.

I recommend the request be approved. A corresponding motion and order are attached.
