

Public Service Commission;

I have received your notices
And letters.

It was not made by my
direction at times of sale ads
or posters. Which S. Dak. does
not need a license and they
mentioned that they didn't need
to put on a license number.

So from here on I will
be on top of any other
adds or people using
my name to have a
paper and license number
for any and all public
notices U. S. A. & Canadian.

I'm sorry about the
past issues.

Thank you.
