Residential Package Unlimited Long Distance and Unlimited 56k Dial-Up Services Restrictions

(N)

Residential Unlimited Voice Services are provided solely for live dialog between two individuals. Unlimited voice services may not be used for conference calling, call forwarding, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, or other connections that do not consist of uninterrupted live dialog between two individuals. If 702 Communications finds that using an unlimited voice service offering for other than live dialog between two individuals, 702 Communications may, at its option, terminate services or change a residential plan to one with no unlimited usage components. 702 will provide notice that it intends to take any of the above actions.
