STATE OF NORTH DAKOTA  
PUBLIC SERVICE COMMISSION  
Midcontinent Communications/  
Consolidated Telcom  
Interconnection Agreement  
Application

Case No. PU-08-815

NOTICE OF OPPORTUNITY TO  
FILE WRITTEN COMMENTS

October 22, 2008

On October 8, 2008, Midcontinent Communications filed a petition for approval of a facilities based interconnection agreement with Consolidated Telcom. The agreement sets forth rates, terms and conditions under which Consolidated Telcom will provide interconnection with designated facilities to Midcontinent Communications for the Bowman, Dodge, Halliday, Hettinger, Killdeer, Mott, Reeder, Rhame, Richardson, Scranton, and South Heart exchanges.

This agreement was filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under 47 U.S.C. § 252(e)(2)(A), the Commission may only reject an agreement adopted by negotiation (or a portion of the agreement) if it finds that:

1. the agreement discriminates against a telecommunications carrier that was not a party to the agreement; or
2. implementation of the agreement is not consistent with the public interest, convenience, and necessity.

In addition, under 47 U.S.C. Section 253 the Commission may include in its review state requirements that do not constitute barriers to entry.

The Commission will receive written comments on these agreements until November 26, 2008.

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify Darrell Nitschke, Executive Secretary.

PUBLIC SERVICE COMMISSION

Tony Clark, Commissioner  
Susan E. Wefald, President  
Kevin Cramer, Commissioner

(October 30, 2008)

bring the tabled plat of Sublot #4 & Sublot #5 1/2 of Section 19, T154N R101W back to the floor. Motion carried. John Sanders present to report that the only purpose for the plat is to split ownership and if there are any changes he is aware that he will have to come back in for a re-arrangement. Sanders also stated that he has no problem with the additional 20' utility easement along 138th Ave NW. There are already easements along the west and north side of the property and there is no indications if new roads will be placed. Schmidt moved Hanson seconded authorizing the Chairman to sign the plat of Sublot #4 & Sublot #5 1/2 of Section 19, T154N R101W. Motion carried.

Gooch-Egge presented abatement and recommended their approval. Hanson moved Montgomery seconded approval of the Homestead Credit abatement for 2006, 2007, 2008 for Jerome Chanchuk of City of Williston L1 B4 Wittmeier Addition and 2008 for Sabin Metal West Corp of All B1 ex NW 247 sq. ft Cenex Subdivision to the City of Williston. Motion carried.

Schmidt moved Arson seconded approval of the prorate of assessment for Duane/Dorothy Fenster L12R Rear of Lots, B4, Fox Glen Subdivision to the City of Williston due to new residence exemption and Travis/Amanda Lee L13R Rear of Lots, B4, Fox Glen Subdivision to the City of Williston due to new residence exemption. Motion carried.

Ryan spoke to the Commission concerning Pherrin Township requesting help from him with compliance issues within their Township.

The Commission instructed Ryan that there is nothing that we can do for them unless they are a member of the County Planning/Zoning as we have no authority to do compliance within their Township.

Arson moved Hanson seconded approval of the culvert petition for 12-Mile Township. Motion carried.

Nelson reported on the counter placed on the Pleasant Valley road, but there may not be an accurate count so they will leave it on for another month.

Schmidt brought up a need for an overlay of 4 miles of road on County #21 to County #8 and upgrade 1 mile to 1055 of road that runs east to Enbridge then goes to County #21. Nelson was instructed to get figures from Meiers for the next meeting on an approximate cost.

Schmidt stated that the next \$1M that goes into the County General Fund should be used on roads that help generate the revenue.

Evenson reported that there is a company Deister Ward Witcher that digitizes older records so they can get a copy and then they supply a copy to the County. They can start in 2009 and will take a couple of years. Evenson will do more research and report back to the Commission, but they are in support of this project.

Askin reminded the Commission of the Sexual Harassment training on September 15th at the MDU conference room and reported on the current job openings in the County.

Arson moved Montgomery seconded approval of the August 5th and 11th minutes. Motion carried.

Discussion was held on the budget hearings and they will be held a couple of evenings. In this will set up a schedule.

Schmidt moved Arson seconded approval of the Site Authorization for the Alamo Volunteer Firefighters at Sportsmen Club in McGregor. Motion carried.

Chairman Kall will represent the County at the Oil/Gas Producing Counties meeting and if he can't attend then Arson will be the alternate.

bring the tabled plat of Sublot #4 & Sublot #5 1/2 of Section 19, T154N R101W back to the floor. Motion carried. Mr. Larue will be here next week and they will arrange a time to inspect the sites.

Schmidt moved Arson seconded approval of the proration of assessments for Williams County of L18 B1 Highland Homes, 1st Addition to the City of Williston from June through December 2008 as the property went from taxable to exempt and Elsie Clark of a possessory interest in L4 B26 Brueggers 2nd Addition to the City of Williston from August through December 2008 as the property went from taxable to exempt. Motion carried.

Sinness presented the plat for Madison Ridge Subdivision located in the E1/2 Section 30 T154N R101W with recommendations to approve the final conditional approval as presented with the letter of credit worthiness from 1st National Bank, review of title opinion by attorney, \$3,151.68 fee due at time of recording, covenants reviewed by attorney, amend zoning resolution and final certification by engineering. Dwight Myers reported that the roads should be completed before freeze up, except for the gravel. The County does have the building permit process to fall back on if the roads are not completed. Schmidt moved Montgomery seconded approval of the plat for Madison Ridge Subdivision located in the E1/2 Section 30 T154N R101W. Motion carried. Montgomery moved Hanson seconded approval of the amended resolution amending the zoning from agricultural to residential and commercial. Motion carried.

Sinness presented the zone change from agricultural to industrial for Sublot No. 1 Section 19 T154N R101W with Bob Horab in attendance explaining the re-zone is for clay and concrete products. He is planning on putting in a portable plant for McCody Concrete. Concerns expressed from those in attendance were the frontage road and who was going to maintain it, and dust problems. Fred Douglas, Williston Township Chairman, stated that he would prefer that the land would either be agriculture or commercial, not industry. Concerns are what type of industry could come in there if the land is sold. Mike Weber from Williston RV & Marine stated that they are not even zoned properly and would like the entire area to go commercial. The only way the area could have a different use if sold would be if the county allowed for a different usage. Montgomery moved Schmidt seconded to zone the property located in the S1/4 SE Section 19 T154N R101W of approximately 12.7 acres and allow for the conditional use permit for a portable concrete plant. Motion carried.

Arson moved Schmidt seconded proclaiming the month of October 2008 as National Disability Employment Awareness Month. Motion carried.

Introductions were held for George Pederson, Facilities Supervisor.

Sinness presented a plat for Terry/Rebecca Schatz of Sublots 4 and 5 located in NW1/4NW1/4 of Section 34 T155N R101W with an appeal to the Board of Adjustments as their acreage is under the required 10 acres. Schmidt moved Hanson seconded approval of the plat of Sublots 4 and 5 located in NW1/4NW1/4 of Section 34 T155N R101W and authorize the Chairman to sign.

Sinness presented a plat for Richard/Judy Gafkjen of the Rearrangement of Block 1 Blacktail Dam Subdivision located in the W1/4 of the SE1/4 of the SW1/4 Section 9 T157N R101W where Gafkjen purchased .20 acres from the Park Board, for \$500.00, to expand his lot for building purpose. Recommendation from Planning/Zoning is to approve contingent on combining the rearrangement of Block 1 with Lot 159. Arson moved
