

**STATE OF NORTH DAKOTA  
PUBLIC SERVICE COMMISSION**

**Midcontinent Communications/Consolidated Telcom  
Interconnection Agreement  
Application**

**Case No. PU-08-815**

**ORDER ON INTERCONNECTION AGREEMENT**

**December 03, 2008**

On October 8, 2008, Midcontinent Communications filed a petition for approval of a facilities based interconnection agreement with Consolidated Telcom. The agreement sets forth rates, terms and conditions under which Consolidated Telcom will provide interconnection with designated facilities to Midcontinent Communications for the Bowman, Dodge, Halliday, Hettinger, Killdeer, Mott, Reeder, Rhame, Richardton, Scranton, and South Heart exchanges.

This agreement was filed under Section 252(e) of the Telecommunications Act of 1996 (Act). The Act requires that any agreement adopted by negotiation or arbitration be submitted for approval to the Commission. Under 47 U.S.C. § 252(e)(2)(A), the Commission may only reject an agreement adopted by negotiation (or a portion of the agreement) if it finds that:

1. the agreement discriminates against a telecommunications carrier that was not a party to the agreement; or
2. implementation of the agreement is not consistent with the public interest, convenience, and necessity.

In addition, under 47 U.S.C. Section 253 the Commission may include in its review state requirements that do not constitute barriers to entry.

Section 252(e)(4) requires that the Commission act to approve or reject an agreement adopted by negotiation within ninety (90) days after submission by the parties.

On October 22, 2008, the Commission issued a Notice of Opportunity to File Written Comments, which provided that the Commission would receive written comments on the agreement until November 26, 2008. No comments were received.

The Commission has reviewed the agreement and finds that it has not been shown to discriminate against a telecommunications carrier that was not a party to the agreement. The Commission further finds that implementation of the agreement has not been shown to be inconsistent with the public interest, convenience and necessity.

3. Notice of any changes to the agreement must be filed promptly with the Commission.
