Dear Ms. Hodell:

In response to your e-mail request yesterday, enclosed is a DVD containing South Heart Coal LLC's application for Surface Coal Mining Permit No. SHSH-0801. A second DVD was also submitted that contains files associated with their ground water model; however, I was unable to copy that this morning. A copy of that DVD will be sent to you later.

If you have any questions or encounter any problems in viewing information on the DVD, please let me know.

Sincerely,

Jim Deusch  
Director  
Reclamation Division
