RE: Capacity Increase

Dear Traut:

Your request to increase the license capacity at Cleveland by 165,000 bushels to reflect the addition of new tanks in Section B (115, 116, 117, 118) and adjust the capacity to reflect licensed space identified in the Public Service Commission 11/13/08 Statement of Capacities (Section B - 740,000 bushels and Section C - 300,000 bushels) is approved. With this change your licensed capacity is now 1,040,000 bushels at Cleveland effective immediately.

Thank you for your continued cooperation. Remember that you must obtain prior approval before using space that is not part of your approved licensed facility. If you have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
