RE: Wind Energy Conversion Facility  
**Case No. PU-08-848**

Dear Mr. Nitschke,

Minnesota Power, an operating division of ALLETE, Inc., filed a Letter of Intent dated October 21, 2008 in the above—referenced Case for a 125 MW wind facility on reclaimed land previously mined by BNI Coal. At the request of North Dakota Public Service Commission Staff, Minnesota Power hereby rescinds that Letter of Intent due to the development of the Bison wind projects at other locations in Oliver, Morton and Mercer counties. If you have any questions please contact me at the above-listed number.

Sincerely,

A handwritten signature in black ink that reads 'David R. Moeller'.
