Subject: PU-08-862 Otter Tail Corporation d/b/a Otter Tail Power Company Application for Authority to Increase Electric Rates in North Dakota

Please accept this email for filing in the above referenced case.

Otter Tail Corporation doing business as Otter Tail Power Company ("Otter Tail") recognizes that North Dakota Law would allow the Company to request interim rates in an amount larger than that requested in its recently filed rate case, however, Otter Tail hereby waives its right to recover interim rates in that larger amount, and instead requests that interim rates be authorized at the lower amount requested in the Company's filing.

Please let me know if you have any questions regarding this email.
