**Re:** Otter Tail's Interim Rate Increase Tariffs (PU-08-862)  
Staff Recommends Approval

On December 3, 2008, the commission issued an order approving Otter Tail Power Company's request for interim rates.

On December 22, 2008, Otter Tail submitted an amended interim tariff filing. The amended rate schedules simply removed the language "Approved: December 3, 2008" from the footer of each rate schedule.

Staff has reviewed the amended tariffs and recommends approval. A motion to that effect will be put on the consent agenda for the December 31, 2008 commission meeting.
