Subject: Confirmation / Waiver

I am writing to confirm my understanding and to docket this memo in the case, that the following schedule will be adhered to in Otter Tail's rate increase application (Case No. PU-08-862):

Staff's and Intervenor's Testimony due April 1
OTP's Rebuttal Testimony due April 29
Hearing May 11-13, beginning at 8:30 AM (morning only on the first day)

If this is not your understanding, please let me know before the end of March 2nd, 2009.

Also, it is obvious from the above schedule and from prior discussions that an order by the commission will not occur within the 7 month statutory time for disposing this case. For the record, Otter Tail should file a letter waiving its right to a decision within 7 months of its filing. Mike
