RE: In the Matter of the Application of Otter Tail Corporation for Authority to Increase Rates for Electric Service in North Dakota
Case No.: PU-08-862, and
In the Matter of Otter Tail Power Company's Annual Filing for Renewable Resource Cost Recovery Factor
Case No. PU-08-742

Dear Executive Secretary Nitschke:

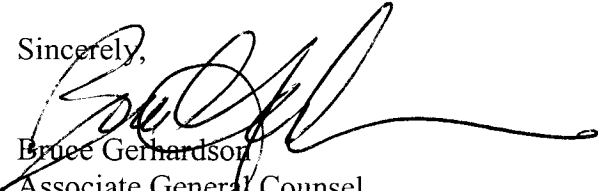

I am writing to request a suspension of the procedural schedule in the above-referenced cases. Otter Tail, Advocacy Staff and the Large Industrial Group ("LIG") Intervenors, which together make up all the parties to these proceedings, all agree to this suspension, as they are in the process of finalizing a settlement that would resolve all issues in these cases..

The current schedule anticipates Otter Tail filing rebuttal testimony on April 29, and the evidentiary hearing being conducted over the week of May 11.

The parties are in agreement that the procedural schedule should be suspended in order that the parties can devote their time to finalizing the settlement, preparing settlement documentation, and filing that for Commission approval.

It is expected that settlement documentation will be completed and filed within the next two to three weeks. For these reasons, Otter Tail requests that the procedural schedule be suspended as described herein.

Sincerely,

Bruce Gerhardtson
Associate General Counsel
