**Case No. RC-08-904**

**NOTICE OF RECEIPT OF PERMIT REVISION APPLICATION**

**March 11, 2009**

Dakota Westmoreland Corporation (DWC) has applied for a permit revision application to add approximately 890.4 acres of land located in Sections 15, 19, 20, and 22, T143N, R88W, to Surface Coal Mining Permit No. KRSB-8603. This additional area is located south of the existing permit area. This revision will allow DWC to expand the permit area for additional coal mining. The revision application updates all environmental resource information and operations and reclamation plans to incorporate the additional area being added to Permit KRSB-8603.

The revision application to the surface coal mining and reclamation permit may be inspected at:

Public Service Commission  
State Capitol  
Bismarck, ND 58505-0480

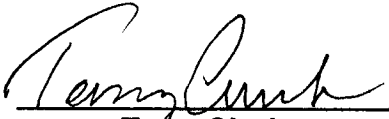

Mercer County Auditor  
County Courthouse  
Stanton, ND 58571

You may submit written comments or objections on the proposed permit application and its effects on the environment and on surface owners of the land in the permit area. You may request an informal conference with the Commission and the applicant on the application. The reasons for requesting an informal conference must be stated in the request. In addition, you may also file a petition to designate lands being added to the permit as unsuitable for mining. Written comments, objections, petitions, or requests for an informal conference must be filed with the Commission by **May 4, 2009**.

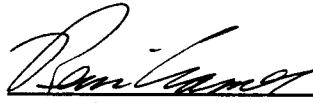

If there is an informal conference, you may request a formal administrative hearing on the Commission ruling on the application. Your request for a formal hearing must be made within thirty days of the Commission ruling on the application.

Written comments, objections, petitions, or requests for informal conferences should be addressed to the Public Service Commission, 600 E. Boulevard Ave. Dept. 408, Bismarck, North Dakota 58505-0480. You may contact the Commission at 701-328-2400 or TDD 800-366-6888.
