Dear Mr. Friedlander:

The Reclamation Division has reviewed Coteau's March 12<sup>th</sup> response to our February 26, 2009 technical review letter of Revision 7 to Permit NACT-0201. The following items must be addressed prior to revision and renewal approval. This permit expires April 14, 2009, and the Reclamation Division will need to have a response to this letter by April 6<sup>th</sup> in order to ensure the revision and renewal can be approved by the Commission by the expiration date.

### **Section 1.3.2 – Current...Applications**

Page 1 indicates that Permits NACT-8203, NACT-8601, and NACT-9101 were issued by OSMRE. The issuing agency for these permits is actually the NDPSC. Please correct as necessary. (SAS)

### **Section 1.5.1 Permit...Interests**

The hyperlinks for the deed and lease information for Tract 81-A do not work. Please repair now or when the final version is submitted with the accepted changes. (SAS)

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch  
Director  
Reclamation Division
