# Memorandum

PUBLIC SERVICE COMMISSION

<b>Date:</b>	December 14, 2010
<b>To:</b>	Jerry Lein, North Dakota Public Service Commission
<b>Copy To:</b>	Chris Sternhagen, enXco
<b>From:</b>	Jennifer Turnbow, Kadrmass, Lee & Jackson
<b>Re:</b>	Merricourt Wind Power Project Certificate of Site Compatibility

## Remarks

Attached are 11 hardcopies of each of the supplemental items to the application for Certificate of Site Compatibility as requested by the Public Service Commission (PSC) for the Merricourt Wind Power Project. The supplemental items are as follows:

- Responses to PSC comments
- Final project layout map
- Designated piping plover critical habitat map
- Occupied residences map
- Biological Conditions and Effects Summary

In the comment and response document, text shown as a strikethrough (i.e., ~~strikethrough~~) indicates text that has been removed and text shown as underlined (i.e., underlined) is text that has been added.

If you have additional questions or concerns, please contact me at (701) 355-8468.
