BOLDER
SHADE OF BLUE

BOLD isn't meeting the government's challenge for insurers to spend at least 80 cents of every dollar on patient care. It's beating it by spending 91 cents — good reason for lawmakers to have a look at the great things happening here in North Dakota.

Wind farm hearing in Ellendale

STATE OF NORTH DAKOTA
PUBLIC SERVICE COMMISSION
ENXCO DEVELOPMENT CORPORATION
MERRICOURT WIND POWER PROJECT
SITING APPLICATION
CASE NO. PU-08-932
NOTICE OF FILING AND NOTICE OF HEARING
March 18, 2011

On October 6, 2010, enXco Development Corporation filed an application for a certificate of site compatibility to authorize construction of a 150 MW Merricourt Wind Power Project consisting of up to 100 wind turbine generators and associated facilities in Dickey and McIntosh Counties of North Dakota as shown on

the attached map.

A Public Hearing on the application is scheduled to begin on April 15, 2011 at 10:00 a.m. CDT at the Dickey County Courthouse, 309 2nd St, Ellendale, ND 58436. The issues to be considered are:

1. Will the location, construction, and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring

continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?

For more information contact the Public Service Commission, State Capitol, Bismarck, North Dakota 58505, 701-328-2400; or Relay North Dakota 1-800-366-6888 TTY. If you require any auxiliary aids or services, such as readers, signers, or Braille materials please notify the Commission, at least 24 hours in advance.
