Dear Mr. Nitschke:

On May 10, 2017 the North Dakota Public Service Commission issued a notice of filing and a public hearing to be held on June 28, 2017 at City Hall in Ashley, North Dakota. It is our understanding that the Ashley Tribune did not publish the second notice within 20 days of the hearing that was anticipated to run on June 21, 2017 and in accordance with NDCC § 49-22-13(4). EDF Renewable Development, Inc (EDF) respectfully requests that the Commission postpone the hearing so that proper notice can be issued and all interested parties may be apprised of the general nature of the issues to be heard and be given an opportunity to prepare for and be heard at the hearing. EDF will work to reach participating landowners and other interested parties it is aware of to inform them that the hearing is delayed. Please do not hesitate to call or e-mail me with any questions.

Sincerely,

Sara E. Bergan
