

**Disclaimer:**

The USFWS makes no claim as to the accuracy or completeness of the displayed information. Shaded areas depicting the location of the USFWS WPA Fee land and limited interest easements are for illustrative purposes only and do not represent legal boundaries. For more detailed information, please contact one of the USFWS Realty Offices located in Bismarck and Minot, North Dakota, Sand Lake and Huron, South Dakota, or Great Falls, Montana.

The USFWS easement layer is current through June 2019. Please contact the appropriate Wetland Management District for any newly acquired easements.

## Merricourt Wind Power Project Avoidance Areas

<span style="color: green;">●</span> Primary Turbine Location	<span style="background-color: yellow; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Operations and Maintenance	<span style="background-color: lightblue; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> NWI Wetlands
<span style="color: red;">●</span> Alternate Turbine Location	<span style="background-color: yellow; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Grassland Easement Acquired After Wind Easement	<span style="background-color: pink; border: 1px solid black; display: inline-block; width: 15px; height: 10px;"></span> Substation
