Hi Carrie,

The North Dakota Department of Environmental Quality received the notice of intent for the Merricourt Wind Project on July 31, 2019. The project was automatically covered under the department's construction general permit on August 7, 2019. The department will send a letter of coverage once it processes the notice of intent.

If you have any more questions, please let the department know.

Regards,

Dallas Grossman

Hi Dallas,

As discussed, we are seeking written proof of coverage for the Merricourt Wind Project. Can you please confirm that that the following project has authorization under NDR10 to begin construction activities?

Name: Merricourt Wind Project
Owner: Otter Tail Power Company
Location: 88th Street SE and 65th Avenue SE, Kulm County

Thank you!

Hello,

As I discussed with Dallas Grossman yesterday, please find attached the owner transfer form for the Merricourt Wind Project. The completed NOI was submitted for this project last Wednesday 07/31/19.

Please let me know if you have any questions.

Thank you,

Carrie Boecher
