**Re: Certification Provision No. 38 and Memorandum Regarding Site Plan Modifications
Merricourt Wind Project
Case Nos. PU-08-932 and PU-19-144**

Dear Mr. Kahl:

In accordance with Certification Provision No. 38 associated with the November 16, 2017, Order in PU-08-932, enclosed for filing are an Affidavit of Bradley E. Tollerson and a Memorandum regarding site plan modifications (along with attachments to the Memorandum).

Since the issuance of the Commission's November 16, 2017 order and filing of a previous Affidavit and Memorandum on July 31, 2019, additional minor changes have been made to the Merricourt Wind Project site plan. These minor changes are detailed in Mr. Tollerson's Affidavit and accompanying Memorandum.

Thank you for your attention to this matter. Please feel free to call me at (218) 739-8922 if you have any questions or concerns.

Sincerely,

pp. Mark B. Bring
