RE: Roving Grain Buyer License - Request for Temporary Authority  
U.S. Commodities, LLC

U.S. Commodities, LLC, Minneapolis, Minnesota, filed a license application to operate as a roving grain buyer in North Dakota. They filed a \$70,000 bond which will allow them to purchase up to 200,000 bushels of grain.

The applicant has met the requirements for license.

The applicant has asked to commence operations effective immediately. I recommend the license be issued to U.S. Commodities, Minneapolis, Minnesota, effective February 17, 2009, and that this action be noticed on the Commission's Agenda.

Please sign and date this temporary authority request and return it to me.
