RE: Warehouse License - Request for Temporary Authority
Valley Grain Milling Inc.

Valley Grain Milling Inc. filed a license application to operate a 150,000-bushel grain warehouse at Casselton, North Dakota. This facility had been licensed previously by Valley Grain Service and was created to operate the grain business.

The applicant has met the license requirements.

The applicant has asked to commence operations effective January 1, 2009. I recommend the license be issued to Valley Grain Milling Inc. at Casselton, North Dakota, effective January 1, 2009, and that this action be noticed on the Commission's Agenda.

Please sign and date this temporary authority request and return it to me.

Temporary authority authorized.
