

5-28-09

I wish to file a claim in regard to Northwood Mills. I delivered a load of Canola last October and did not price it until after the 1st of this year. I soon found out the company was in financial difficulty and I haven't been paid yet. My Brother Dennis and I farm together and will be filing this claim together. The amount owed to us is \$329.23.

Gincerely
Gerald Karsky
