Tariff Department:

Enbridge Pipelines (North Dakota) LLC (“Enbridge North Dakota”) in connection with Enbridge Energy, Limited Partnership (“Enbridge Energy”) requests to file Supplement No. 1 to N.D.P.S.C. No. 26, canceling the Rules and Regulations tariff associated with the joint agreement with the effective date of February 16, 2009. Paper copies of Supplement No. 1 to N.D.P.S.C. No. 26 will be delivered by courier on February 16, 2009.

N.D.P.S.C. No. 26 is being cancelled because there is no longer a joint rate tariff in place under the arrangement between Enbridge North Dakota and Enbridge Energy. The joint rate tariff cancellation, Supplement No. 1 to N.D.P.S.C. No. 42, was filed on July 14, 2006 noting that the segment of the Enbridge North Dakota system originating at the International Boundary near Portal, North Dakota is no longer in service. At that time, Enbridge North Dakota inadvertently overlooked the cancellation of the corresponding joint rules and regulations tariff.

If you have any questions or concerns in respect to the attached, please contact me directly.
