**NOTICE OF FILING, NOTICE OF INFORMAL HEARING
AND NOTICE OF OPPORTUNITY FOR HEARING**

February 11, 2009

On January 26, 2009, Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (Montana-Dakota) and Mountrail-Williams Electric Cooperative (Mountrail-Williams) filed a joint application for approval of a Service Area Agreement to establish service areas and designate service locations to be served by Montana-Dakota and Mountrail-Williams within the City of Stanley, North Dakota, and surrounding areas. Applicants further request that Montana-Dakota be issued a certificate of public convenience and necessity authorizing it to extend service to locations within the Montana-Dakota service area set forth in the agreement.

The issues to be considered in this proceeding are whether the Service Area Agreement complies with section 49-03-06 of the North Dakota Century Code, and whether the approval of the Service Area Agreement and resulting certificate issuance are compatible with the public interest.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by March 24, 2009.** If deemed appropriate, the Commission can determine the matter without a hearing.

An **informal hearing** of this matter is scheduled to begin on **March 25, 2009, at 1:30 p.m. CT** in the Commission Hearing Room on the 12th floor of the State Capitol. At the informal hearing, the Commission will discuss this matter with the parties and interested members of the public.
