Re: McLeodUSA Telecommunications Services, Inc. d/b/a PAETEC Business Services

Dear Sir or Madam:

Enclosed please find an original and seven (7) copies of revisions to McLeodUSA Telecommunications Services, Inc. d/b/a PAETEC Business Services Tariff North Dakota P.S.C. No. 2. Also, a soft copy (PDF format) of this proposed revision was e-mailed to ndpsc@nd.gov. In this filing, McLeodUSA is adding language and rates for the Direct Trunk Overflow feature (Sheet Nos. 62 and 78) and grandfathering the rates for Market Expansion Lines that were inadvertently left out of the January 1, 2009 filing (Sheet Nos. 78 and 123.50). The Table of Contents (Sheet No. 9) and the Check Sheets (Sheet Nos. 2 and 3) were modified accordingly.

This tariff filing consists of an issue date of February 4, 2009 and the effective date of March 1, 2009. Please file stamp the extra copy and return it to me in the enclosed, self-addressed, stamped envelope. If you have any questions, please contact me at (281) 465-1431 or julie.dishman@mcleodusa.com.

Sincerely,

Julie Dishman

3.0 Description of Services Offered (cont'd)

3.12 Direct Trunk Overflow

The Direct Trunk Overflow (DTO) feature, where available, gives the Customer another termination option if all of their DID trunks are busy. This all-trunks-busy condition may be caused either by legitimate heavy incoming traffic or by a trouble condition where the T-1 system is down and the 5ESS senses that trouble as an all-trunks-busy condition. During either busy condition, the incoming call attempts to terminate to the DID group. When the 5ESS sees all trunks busy, it will choose an alternate route for the call to a telephone number that is programmed in the 5ESS only. This telephone number has the Call Forward Remote feature assigned to it and forwards the call to a number chosen by the Customer.

Remote Access DTO enables the customer to activate and/or update the Call Forwarding on their DTO from any location. The customer uses a provided remote-access toll free number, the DTO Call Forwarding line and their four-digit PIN to review or change their call forwarding number.

Rates for DTO and Remote Access DTO can be found in Section 4.3.3.
