**Ashtabula Wind, LLC / Otter Tail Corporation
Partial Transfer of Site Certificate
Siting Application**

Case No. PU-09-53

ORDER GRANTING PARTIAL CERTIFICATE TRANSFER

April 13, 2009

On May 30, 2008, in Case No. PU-08-32, the Commission issued Certificate of Site Compatibility No. 7 to Ashtabula Wind, LLC (Ashtabula Wind) authorizing construction of a 200 MW Ashtabula Wind Energy Center (AWEC) in Barnes County, North Dakota. As the Commission found in Finding of Fact #7 of its decision approving issuance of the certificate, Otter Tail Corporation d/b/a Otter Tail Power Company (Otter Tail) filed an application for a certificate of public convenience and necessity to construct and own 32 of the AWEC turbines and associated facilities totaling 48 MW of nameplate generating capacity. Otter Tail was issued Certificate of Public Convenience and Necessity No. 5347 for its 48 MW portion of the AWEC on July 2, 2008 in Case No. PU-08-200.

On February 6, 2009, in Case No. PU-09-53, Otter Tail and Ashtabula Wind filed a joint Application for Partial Transfer of Certificate of Site Compatibility, seeking to have transferred to Otter Tail only the rights and obligations of Certificate of Site Compatibility No. 7 that coincide with the geographical portion of the AWEC for which the Commission issued Certificate of Public Convenience and Necessity No. 5347.

On February 25, 2009, the Commission issued a Notice of Opportunity for Hearing, which provided until April 2, 2009 for receiving written comments or requests for hearing. No response was received. The notice stated that the issues to be considered in this matter are whether Otter Tail agrees and is able to comply with the terms and conditions of the siting certificate currently issued to Ashtabula Wind and whether the requested certificate transfer is compatible with the public interest.

Otter Tail is a Minnesota corporation authorized to do business in North Dakota as a foreign corporation, and is doing business in North Dakota as a public utility subject to the jurisdiction of and regulation by this Commission.

Otter Tail currently serves retail electric customers in eastern North Dakota, western Minnesota and northeastern South Dakota. Otter Tail is an experienced electric generation, transmission and distribution utility with the experience and resources to own a 48 MW portion of the Ashtabula Wind Energy Center.

The Commission finds that Otter Tail agrees and is able to comply with the terms and conditions of the siting certificate currently issued to Ashtabula Wind.

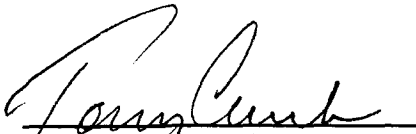

The Commission finds that the requested certificate transfer is compatible with the public interest.

Order

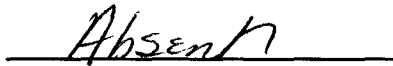

The Commission Orders:

1. The joint application of Otter Tail Corporation and Ashtabula Wind, LLC for Partial Transfer of Certificate of Site Compatibility is granted.
2. Certificate of Site Compatibility No. 10 is issued to Otter Tail Corporation for the 48 MW portion of the Ashtabula Wind Energy Center for which the Commission issued Certificate of Public Convenience and Necessity No. 5347 in Case No. PU-08-200.
3. First Amended Certificate of Site Compatibility No. 7 is issued to Ashtabula Wind, LLC for the remaining portion of the Ashtabula Wind Energy Center.

PUBLIC SERVICE COMMISSION

STATE OF NORTH DAKOTA

Certificate of Site Compatibility for Energy Conversion Facility

**First Amended
Certificate Number 7**

This is to certify that the Commission has designated an energy conversion facility site for Ashtabula Wind, LLC to construct and operate the Ashtabula Wind Energy Center in Barnes County, North Dakota.

The energy conversion facility site designation by the Commission's May 30, 2008 Order in Case No. PU-08-32 is amended by the Commission's April 13, 2009 Order in Case No. PU-09-53 authorizing transfer of ownership of a 48 MW portion of the 200 MW wind energy facility

This certificate is subject to the conditions and limitations noted in those orders.

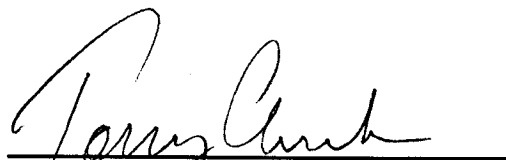

Bismarck, North Dakota, April 13, 2009.
