Hi Sue,

Please accept this email as our formal request to revise our current operating schedule at our Grafton, ND facility as normal business hours during harvest and on an as needed basis outside of harvest. We are available to all of our growers at the main office telephone line & at our plant in St. Hilaire regularly all year long. We are also able to make arrangements for our growers to deliver to our receiving station(s) outside of regular harvest if necessary too.

Please let me know if you require any additional information with respect to this request.

Thank you.
