Subject: RE: Grain Warehouse License at Hankinson

Sue,

On behalf of VeraSun Energy and VeraSun Hankinson LLC please cancel the grain warehouse license. The asset has been purchased by Agstar Financial Services and the current legal entity is RBF Acquisition IV, LLC. VeraSun Energy Corporation and VeraSun Hankinson LLC filed Chapter 11 bankruptcy on 10/31/08 and will no longer be purchasing grain in the state of North Dakota. Thanks for your assistance.
