Falkirk Mining Company
P.O. Box 1087
Underwood, ND 58576-1087

Dear Mr. Clarke:

The Reclamation Division has reviewed Falkirk's March 13, 2009 responses to the completeness deficiency letter on the applications for Revision No. 32 and Renewal No. 4 to Permit NAFK-8705. All items have been satisfactorily addressed and the applications are considered complete. The changes that were made to the proposed newspaper notice were acceptable. A more detailed review of the revision and renewal applications will now be started by the Reclamation Division.

Falkirk may now begin publication of the newspaper notice. Please forward copies of the affidavits of publication of the newspaper notices to our office when they are available.

If you have any questions, please contact this office.

Sincerely,

James R. Deutsch
Director
Reclamation Division
