

To. Ms Richter

From: Arlyn Ledahl

20-09

This letter is in response to the conversation we had over the phone regarding the non-payment of proceeds from my softlover contract with Mantola of Culbertson, Montana.

Enclosed are copies of the settlement sheet and my contract.

I am also enclosing letters I received from Mantola in which they promised interest on the late payments.

This has resulted in serious cash flow problems for our farm operation so would appreciate as prompt attention as possible.

Thank You,

Arlyn Ledahl
