**Re: APPLICATION OF NORTHERN STATES POWER COMPANY, A
MINNESOTA CORPORATION, FOR TRADE SECRET PROTECTION IN
THE MATTER OF THE COMPANY'S APPLICATION FOR AN ADVANCED
DETERMINATION OF PRUDENCE FOR THE BAY FRONT BIOMASS
GASIFICATION PROJECT**

Dear Mr. Nitschke:

Enclosed in the above referenced matter is an original and seven (7) copies of Northern States Power Company's, a Minnesota corporation ("Xcel Energy" or the "Company"), Application for Trade Secret Protection in the Matter of the Company's Application for an Advanced Determination of Prudence for our proposed Bay Front Biomass Gasification Project to be located on the shores of Lake Superior's Chequamegon Bay in Ashland, WI.

The filing contains cost information, contract terms and internal modeling results as discussed in our attached application. We believe that disclosure of this information will provide economic value to potential vendors, contractors and suppliers and as a result could result in higher costs for our customers if this information is disclosed.

As a result, we believe it is important that our request for trade secret protection be granted in order that we can minimize costs to our customers. We look forward to working with the Commission to answer any questions they may have in granting this determination. Thank you in advance for your review of this filing.

Sincerely,

/s/
