PUBLIC SERVICE COMMISSION

Tariff Department:

Enclosed for filing with the North Dakota Public Service Commission (NDPSC) are seven copies of the following local tariff issued by Enbridge Pipelines (North Dakota) L.L.C. (Enbridge North Dakota):

NDPSC Tariff No. 56 canceling NDPSC Tariff No. 55

Explanation of Tariff Filing

This tariff is the local proportional tariff for rates applying on the transportation of crude petroleum. The filing of this tariff is in part, an index compliance filing in accordance with 18 C.F.R. 342.3, and in part, a compliance filing with a settlement agreement as described below. All rates in this tariff that are subject to the index have increased effective July 1, 2009.

On October 31, 2006, the Federal Energy Regulatory Commission (Commission) issued a letter order in Docket No. OR06-9-000 approving an uncontested Offer of Settlement filed by Enbridge North Dakota on August 14, 2006 with respect to two agreed upon changes to Enbridge North Dakota's tariff rates: (1) the Mainline Surcharge; and (2) the Looping Surcharge. The surcharges relate to the Phase V Expansion of the pipeline system, and are cost-of-service based. The Mainline and Looping Surcharges have not changed from the amounts included in NDPSC No. 55 (FERC No. 59), as these surcharges are not subject to indexing pursuant to the 2006 Offer of Settlement.

Attached to this package as Appendix A is a chart showing the ceiling levels on the base portion of the Enbridge North Dakota Tariff that is subject to the July 1, 2009 multiplier of 1.076025 issued by the Commission on May 14, 2009 in Docket No. RM93-11-000. Appendix B is a chart showing the individual components of the Enbridge North Dakota Tariff: (1) the base indexed rate as calculated in Appendix A; and (2) the Phase V Expansion surcharges.

A check in the amount of fifty dollars in payment of the filing fee has been sent via certified mail along with a paper copy of this tariff.

In addition, the contact information of the compiler has changed on page one of NDPSC Tariff No. 56.

Notification

I hereby certify that Enbridge North Dakota has, on or before this date, delivered copies of the above tariffs to each person on Enbridge North Dakota's subscriber list by U.S. postal service (First Class Mail) or by other means agreed upon. Please date stamp the enclosed extra copy of this transmittal letter and the accompanying tariffs and return it to the messenger.

If you have any questions concerning this filing, please call Feisal Gazie at (403) 231-5940.

Sincerely,
