RE: Capacity Decrease

Dear Gary:

Your request to decrease the license capacity at Golva by 178,000 bushels to reflect the addition of bins 301-304 in Section A (15,732 bushels) and deletion of bins 217, 218, 219, and 300 in Section A (179,633 bushels) and reflect capacity as identified in PSC bin documents is approved. With this change your licensed capacity is now 125,000 bushels at Golva effective immediately.

Thank you for your continued cooperation. Please review the space identified above and if you find any errors or have any questions, please call me at 701-328-4097.

Sincerely,

Susan K. Richter
Licensing Division
