Bismarck, ND 58505-0480

**RE: CPV Ashley Renewable Energy  
Company, LLC  
Case No. PU-09-370**

Dear Mr. Nitschke:

Please find enclosed herewith for filing an original and ten copies of the following documents in connection with the above-referenced matter:

1. Executed Certification Relating to Order Provisions – Wind Energy Conversion Facility Siting, and accompanying Tree and Shrub Mitigation Specifications;
2. Corrected page 7 of the Whooping Crane Likelihood of Occurrence Report (provided in Appendix C to CPV Ashley Renewable Energy Company, LLC's Certificate of Site Compatibility Application);
3. Map depicting final Project layout;
4. Map depicting turbine setbacks from residences;
5. Revised version of Section 5.1 of CPV Ashley Renewable Energy Company, LLC's Certificate of Site Compatibility Application;
6. United States Fish and Wildlife Service (USFWS) letter;
7. Permits and approvals checklist;
8. 2010 Spring Avian Survey;
9. Acoustic Assessment; and
10. Shadow Flicker Impact Analysis.

Also enclosed herewith is a disk containing the same in PDF format.

Pages: 132

Supplemental Information for Application

Mr. Darrell Nitschke  
August 16, 2010  
Page 2

Please note that the corrected page 7 of the Whooping Crane Likelihood of Occurrence Report is provided only to correct a typographical error in one sentence on that page of the report. Specifically, in section 6.3 of the report, in the fifth sentence under *Biological Justification*, the phrase “wetlands greater than 1 acre” was corrected to state “wetlands greater than 0.25 acre.” Since the pages of the Whooping Crane Likelihood of Occurrence Report that was submitted as part of CPV Ashley Renewable Energy Company, LLC’s Certificate of Site Compatibility Application are double-sided, copies of both the corrected page 7 and of page 8 of the report are enclosed as replacement pages.

Should you have any questions, please advise.

Sincerely,

MOLLIE M. SMITH
