RE: Facility-Based Grain Buyer Licenses
New Century Ag

New Century Ag filed license applications to operate their facilities at Fortuna, Ambrose, Crosby, and Noonan, North Dakota under facility-based grain buyer licenses. New Century Ag was issued a United States Warehouse Act license. Therefore, they cannot operate their North Dakota facilities as state grain warehouses and must change to facility-based grain buyer licenses. All license requirements are met.

I recommend the request be approved. A corresponding motion and order are attached.
