

**Minutes from Case No. PU-08-34 / PU-09-221  
Pre-Construction Conference**

**Call Attendees:**

Jerry Lein

Jess Melin – Project Manager for NextEra Energy

Dick Rausch – Construction Manager for NextEra Energy

**A pre-construction conference call was held at 8:30 AM CST, July 9, 2009 in which the following was discussed:**

- Jerry read all points of the order from 1 to 37 and then read the Tree and Shrub Mitigation Specifications.
- Jerry requested that we include both him and the commission on our daily Plan of the Day e-mail that gives a daily status of the construction.
- Jerry asked that we submit all permits in a package for each county.
- Jerry clarified Jess' questions about paragraph 32 on page 10 about how to submit any additional turbine locations that were not approved.
- Jerry asked if there were any questions left unanswered about the PSC order that had been issued. Neither Jess nor Dick had any further questions.

**The call ended approximately 9:00 AM CST, July 9, 2009.**
