RE: Discontinue Business – New Century Ag

The Licensing Division received a Request to Discontinue Business from New Century Ag for their facilities at Fortuna, Ambrose, Crosby, and Noonan, North Dakota. They were issued a United States Warehouse Act license, therefore, they cannot operate their North Dakota facilities under state grain warehouse licenses and must operate under facility-based grain buyer licenses. New Century Ag does not have any outstanding storage obligations.

I recommend the request be approved. A corresponding motion and order are attached.
