RE: Warehouse Licenses
Central Valley Bean Cooperative

Central Valley Bean Cooperative of Buxton, North Dakota, filed license applications to operate a 19,000 bushel grain warehouse at Devils Lake, a 13,000 bushel grain warehouse at Lakota, a 17,000 bushel grain warehouse at Lankin, and a 123,000 bushel grain warehouse at Pisek, all located in North Dakota. Central Valley Bean Cooperative originally asked to operate receiving facilities at Devils Lake, Lakota, Lankin, and Pisek for receiving dry edible beans. However, these facilities are licensed as facility-based grain buyers and therefore do not meet the criteria for establish receiving stations at these locations. Therefore Central Valley Bean Cooperative must obtain grain warehouse licenses to receive dry edible beans in Devils Lake, Lakota, Lankin, and Pisek.

License requirements have been met and I recommend the request be approved. A corresponding motion and order are attached.
