Mr. Bill Dodd
Assistant Director
Abandoned Mine Lands Division

Dear Bill:

We received your notice of intent to fill sink holes on North Beulah Mine WMA. This has been an ongoing project and we support your efforts. Since you will be operating in an area closed to public use, you may proceed without any restrictions from the North Dakota Game and Fish Department. I am assuming you have the cultural clearance from SHPO to proceed, if not you would need their approval.

Sincerely,

Daniel K. Halstead
