Dear Mr. Murrey:

This is to notify you that work has been suspended on Contract AM 584-09 for the 2009 Sinkhole Maintenance Project. This project was conducted to fill approximately 310 dangerous sinkholes resulting from collapse of underground coal mines. Sinkholes were filled at 13 properties near the cities of Wilton, Dickinson, Noonan, Beulah, and Garrison, ND. The contractor for this project was Basaraba Excavating & Dirt Works, L.L.C., of Wilton, ND.

Work was conducted on your property in Section 22, T142N, R80W, near Wilton, on October 28, 2009. An estimated 131 cubic yards of soil material was used to fill 4 sinkholes at this location and the approximate cost was \$702.50. The total contract cost to date has been \$102,132.50.

Mine subsidence could continue in this area for many years. Please exercise care when using this land.

Enclosed is summary information and pictures of the projects. If you have any questions, please contact this office. Thank you for your cooperation.

Sincerely,

William E. Dodd
